Forecast For Grampian
Issued by Met Office Aberdeen
at 0400 on Friday 30 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Most places dry with some sunny spells.

Today:
A mostly cloudy start with a few spots of rain around but becoming brighter through the morning with some sunny spells and the odd light shower developing. Becoming cloudier across the north later. Cool northerly breeze, especially in coastal parts. Maximum temperature 18 deg C (64 deg F).

Tonight:
Some late sunny spells in south but generally a cloudy evening with outbreaks of mainly light rain edging south. The rain clears south overnight with a few clear spells developing. Minimum temperature 8 deg C (46 deg F).

Saturday:
Southern and western Aberdeenshire look largely dry with sunny spells, but northern and eastern parts look cloudier with the odd light shower possible. Cool northerly breeze. Maximum temperature 16 deg C (61 deg F).

Outlook for Sunday to Tuesday:
Most places dry through Sunday and Monday with some sunny spells but remaining rather cool. Sunny spells and occasionally heavy showers Tuesday.
